Restore the Soar

Did you know the River Soar flows through the heart of Leicester? This beautiful and historically rich waterway plays a significant role in the city's landscape.

Restore the Soar is a National Lottery Heritage Fund project, led by Leicester City Council, Leicestershire & Rutland Wildlife Trust and the Canal & River Trust. It focuses on the river corridor from Frog Island to Watermead Country Park, aiming to reconnect people with this natural treasure.

Student Art Showcase

As part of the project, Leicester College Art students have responded to the theme 'Restoring the Soar' with creative works that celebrate the river's wildlife, heritage, and potential for renewal.

See their artwork, paintings, textiles, ceramics, digital art and more on display along the riverside railings at the Riverside Festival. Let their creativity inspire you to rediscover Leicester's River.
